QUESTIONNAIRE

Thank you to all who submitted questions! This is a suggested starting point based on your input.

The Studio City Neighborhood Council (SCNC) is the local community representative of the Los Angeles City Council and the Mayor's Office. The SCNC advocates on issues such as homelessness, housing, land use, emergency preparedness, public safety, parks, transportation, and sustainability. We provide the link between City services and our stakeholders. A stakeholder is anyone who has a vested interest (business owner, renter, homeowner, resident, or worker) in Studio City.

The SCNC has prepared this brief survey to better understand the needs of our community, to connect with, and to better serve our stakeholders. We also encourage and invite participation in our many committees and events.
