Comments include:

Studio City was once in three districts 10 years ago, was a headache.

Last 15 minutes, new map from Krekorian's office.

- 3.

The Board of the Studio City Neighborhood Council (SCNC) OPPOSES the Redistricting AD HOC Committee's proposal of November 5th 2021 to divide Studio City south of the Tujunga Wash and West of Colfax Ave. and move that portion from Council District 2 to Council District 4. The SCNC supports the November 5th map from the Legislative Analyst (page 60 District 2) which correctly keeps Studio City whole without the split.

This motion to be filed as a Community Impact Statement (CIS) to Council File 20-0668-S7.

Motion brought by: Scott Mandel
Seconded by: Lisa Karadjian

Public discussion includes:

More generic language in the motion

There may be a newer map

CD2 rep labeled Hybrid map as Council recommended map.

Best interests of community to keep Studio City together

Hillside residents would fare better in CD4

Not enough public notice

We'll be in a district with a councilperson we didn't vote for.

AMENDMENT TO AGENDA ITEM 3:

Motion to change language to read:

The Board of the Studio City Neighborhood Council STRONGLY OPPOSES any redistricting proposal that would split Studio City into separate Council Districts.

Motion by: Ira Gold and Jeff Hartwick

Second by: Richard Niederberg

Public discussion includes:

- Should add “any redistricting map and/or proposal”

- Sunshine Hills Residents Assoc. is FOR splitting up Studio City IF it means area of Santa Monica Mountains within Studio City is in same district with other Santa Monica Mountain zones.

AMENDED MOTION FOR VOTE:

The Board of the Studio City Neighborhood Council STRONGLY OPPOSES any redistricting proposal that would split Studio City into separate Council Districts.
