Community Impact Statement

The Board of the Studio City Neighborhood Council supports Council File 20-0215 as written.

There is an urgent need for funds in Council District 2 to support outreach to enroll individuals in the Coordinated Entry System and to provide connection to services and shelter.

We urge the Los Angeles City Council to support the allocation of \$450,000 of the State's Homeless, Housing, Assistance and Prevention program grant fund for outreach services in Council District 2.
